## PRAIRIE VIEW PARENTS AND GUARDIANS ASSOCIATION

The primary objective of the Prairie View Association of Parents and Guardians is to sensitize parents to the needs of the students as well as to afford an opportunity for parents to get involved in three ways: (1) by becoming acquainted with the program of the university, (2) by their sons and daughters, and (3) by supporting the University in its efforts to provide a quality program of educational activities for each student.

Since its inception, the Prairie View Association of Parents and Guardians has kept parents informed of the growth and development of the University, as well as of its needs. The participation of parents in university affairs has been encouraged through the design vocation which is held at the opening of the school in the Fall and Annual Spring Parents Day Conference. Parents have also had an opportunity to contribute financially through the contributions to the University Development Fund.

The Prairie View Association of Parents and Guardians will continue to invision programs in which the goals of both the University, students and parents can be met. The University will also continue to successfully relate to these goals.

A dedication such as Parents Day, Established by Prairie View A&M University, can never fully repay parents for years of toil and devotion. However, it can serve as a momentary reflection of appreciation and sincere gratitude.

DELIA M. HUNT  
Executive Director

## ALMA MATER — "Dear Prairie View"

Dear Prairie View, our song to thee we raise  
In gratitude we sing our hymn of praise.  
For mem'ries dear, for friends and recollections  
For lessons learned while here we've lived with thee,  
For these we pledge our hearts full of devotion,  
To serve thee now, and through eternity.

As days go by our hearts will not grow cold,  
We'll love thy purple royal, and thy gold  
We'll through our lives exemplify thy teaching,  
We'll always strive a blessing to be,  
Thy children we our love and pride confession.  
We'll love thee now, and through eternity.

Words by O. ANDERSON FULLER
